Policy Clause
Hawai'i Community College complies with federal and state rules and regulations regarding non-discrimination and affirmative action and educational opportunity for the disabled. Students wishing more information or to register a complaint on the basis of these rules, please contact Jason Cifra, Vice Chancellor for Student Affairs, Hawai'i Community College, 200 West Kāwili Street, Hilo, HI 96720-4091, (808) 934-2509. HawCC students with disabilities needing assistance are encouraged to contact the Hā'awi Kōkua Program in Building 388 on the Manono Campus, (808) 934-2725 [TTY]. In West Hawai'i call (808) 969-8816 [TTY].
Application Information
You must have a completed UNIVERSITY OF HAWAI‘I SYSTEM ONLINE APPLICATION on file with the Admissions Office in order to register. If you were not enrolled in Spring 2014 you must submit an application by 4:00pm on August 1, 2014.

Note for students planning to attend the University of Hawai‘i Center, West Hawai‘i: Students with less than 55 credits must apply to and be accepted by HawCC. Students who have completed 55 credits or an Associate of Arts degree may apply for a baccalaureate degree program offered through another UH campus. Classes are hosted at the UH Center, West Hawai‘i.

COMPASS Placement Testing
Some courses require prerequisites and/or placement levels of reading, writing, and math to help students meet the demands of classroom learning. Having COMPASS scores facilitates online registration into classes with prerequisites. Placement test scores are valid (active) until they are archived by the UH System (after at least two years). Students with active scores who wish to retake the COMPASS test(s) will be assessed a fee to do so. Once scores are archived they can no longer be used for placement purposes. Students with archived scores who still need placement levels may retake the tests free of charge. See a counselor if you have taken college classes elsewhere or if you already have a college degree to determine if you have equivalencies or need to take the placement tests.

In Hilo, testing is by appointment only. Students must bring a photo ID on test day. For appointments or information on Hilo testing times and location, call the Hale Kea Advancement and Testing Center at 934-2540. Students with disabilities should call Mari Giel at 934-2725 [TTY] to arrange special testing accommodations.

If your scores do not place you into at least the entry level reading, writing, and/or math courses at HawCC, you are advised to contact HawCC’s Office of Continuing Education and Training (OCET). For schedules and other information about HawCC and DOE non-credit preparation courses in reading, writing, and math, call 934-2700 or 934-2699, or visit OCET on the Manono Campus, Bldg 379A.

If you are taking the placement test at the UH Center, West Hawai‘i, bring a photo ID and your UH number (from your acceptance letter). For more information, call the Library & Learning Center at 969-8830. To arrange special test accommodations, call Office of Student Services at 969-8816 [TTY]. Testing in West Hawai‘i takes place on a first-come, first-served basis. Arrive 15 minutes early to sign in.

Monday-Friday:
First testing begins at: 8:30am
Second testing begins at: 1:30pm

Transfer Credits
Transcript(s) must be sent directly to Hawai‘i Community College from the sending institution to be considered official. Transcripts will not be accepted from the student. Transcripts will be evaluated for transfer credits for Hawai‘i Community College students in the order in which they are received. Students will be notified via e-mail when a transfer credit evaluation has been completed.

Academic Advising and Academic Counseling
All New, Returning, and Transfer students are to meet with a faculty advisor or counselor prior to registering for advice on course selections and program requirements. During the regular registration period in Hilo, faculty and counselors will be available.

West HI students are encouraged to see an Academic Counselor after taking their COMPASS Placement tests. Call the Student Services Office in WH for more information, 969-8816.

Veteran’s Information
The U.S. Department of Veteran’s Affairs approves applications and makes decisions about eligibility, payments, and issuance of checks. (Please visit the U.S. Department of Veterans Affairs website www.gibill.va.gov for more information.) The V.A. pays for classes appropriate to your declared major only. You must submit all necessary documents to the Admissions and Records Office and participate in a Veteran’s Orientation session before registering. Also meet with an advisor/counselor prior to registration.

The Veteran’s Affairs Certifying Official is responsible for certifying and monitoring Veterans’ enrollment, academic progress, and other academic information. For HawCC, contact Dorinna Manuel-Cortez at 934-2710 BEFORE the semester begins.

Chapter 31 Veterans should also contact Mari Giel at 934-2725 [TTY] or e-mail marigiel@hawaii.edu for disability accommodations.

Post 9/11 GI Bill (Chapter 33)
Chapter 33 payments for tuition and fees are paid directly to the University approximately six weeks after receiving certification from the campus V.A. Certifying Official. Refunds due to changes in registration after the first day of the term will be sent to the student. Refunds due to non-attendance will be sent to the V.A. If funds are returned to the V.A. because you did not officially withdraw from the University, you will be responsible for all tuition and fee charges incurred.

Military Spouse Career Advancement Accounts
MyCAA payments are paid directly to the University. You must bring or send a copy of your approved Financial Assistance Form to HawCC’s Business Office at least 48 hours prior to the payment deadline. This will ensure that an invoice is sent and grades will be posted for classes in which you are registered. An approval form is required each semester you register.

If the MyCAA program does not make a payment for your tuition for any reason after being billed by the University, you will be responsible for paying any unpaid balances on your student account.
Measles/Rubeola, Mumps, Rubella Information

All new and returning students born after 1956 must be immunized against measles (rubeola), mumps, and rubella prior to registration. Proof can be submitted in one of two ways: 1) documentation of vaccinations (two measles, one mumps, and one rubella are required) or 2) lab results showing immunity to the three diseases. If you need to be immunized, MMR immunizations are available for $15.00 at the UH Hilo Student Health Service Office (974-7636) on Mondays or Wednesdays between 8:00am and 12:00noon. Call to inquire about availability, or check with your family doctor.

NOTE: Vaccination records must be signed or stamped by the practitioner or clinic where the vaccinations were administered.

West HI students needing MMR immunizations may contact one of three offices about availability and cost of vaccination: West Hawai‘i Community Health Center (75-5751 Kuakini Hwy, Suite 104) at 326-5629, Kealakekua Office (81-6627 Mamalahoa Hwy, Suite 106) at 323-8005, or the Waikoloa Office (across the Village Market) at 769-5160. Or check with your family doctor.

West Hawai‘i Community Health Center (75-5751 Kuakini Hwy, Suite 104) at 326-5629, Kealakekua Office (81-6627 Mamalahoa Hwy, Suite 106) at 323-8005, or the Waikoloa Office (across the Village Market) at 769-5160. Or check with your family doctor.

TB Clearance Information

State of Hawai‘i Department of Health regulations require students to submit proof of health clearance for TB to A&R/WHSS. Before you can register for classes, you are required to present a TB clearance issued in the U.S. in which the date of clearance is not earlier than August 25, 2013.

In Hilo TB testing is available for $3.00 at the UH Hilo Student Medical Services (932-7369), Campus Center, Room 212, Wednesdays, 1:00pm-4:00pm. You must return for a reading on Friday between 1:00pm and 4:00pm. No appointment necessary. Free TB testing is available on Tuesday afternoons at the Department of Health (974-6025). Call for times and locations, and ask when to return for a reading. Bring a Photo ID. Or, check with your family doctor.

In West Hawai‘i contact Student Services, 969-8816 [TTY].

Free TB tests are available at the Department of Health (322-1500) located below Kona Hospital. Testing on Mondays from 2:00pm to 4:00pm (except holiday weekends). You must return on Wednesday between 2:00pm and 4:00pm for a reading (except holidays).

Disability Accommodations

Students with disabilities registered in HawCC classes must self-identify with the Hā‘awi Kōkua Program to receive disability accommodations. In Hilo contact Mari Giel 934-2725 [TTY].

In West Hawai‘i contact Student Services, 969-8816 [TTY].

Repeating a Course

Students can repeat HawCC courses once at HawCC without restrictions. For any subsequent repeats, students must register during late registration on a space-available basis with Instructor approval.

Credit is allowed only once for a repeated course except for certain courses, identified in the catalog, which are repeatable for additional credit. The GPA is computed using the first highest grade received. All entries remain a part of the student’s permanent academic record. Transfer credits cannot replace HawCC credits.

Add a class

During the first week of instruction, you may enroll in semester-length classes online through your MyUH account. If special consent is needed for an override, ask the instructor to provide the override(s) through his/her MyUH account.

After the first week of instruction, you must register in-person with an Add/Drop form signed and dated by the instructor. If an override is needed, ask the instructor to provide the override(s) through his/her MyUH account.

Drop a Class

You can drop semester-length classes online through September 15, 2014 provided you have at least one class remaining at your home institution. These classes will not appear on your academic record. If you are receiving Financial Aid, check to see if dropping a class will require you to repay any portion of your award, and how it may affect future financial aid eligibility.

Deadlines for partial-semester classes (not an entire semester’s length) are calculated differently. Check with HawCC’s Business office.

To completely withdraw from all HawCC classes, see below.

Withdraw From a Class

The deadline to withdraw online with a “W” grade (provided you have at least one class remaining at your home institution) is October 30, 2014. (Deadlines for partial-semester classes are calculated differently. Check with the HawCC Business office.) A grade of “W” will appear on your academic record. If you fail to withdraw officially during this period, you risk receiving an “F” for such classes.

Appropriate forms are available at the HawCC A&R/WHSS Office. If you are receiving Financial Aid, check to see if withdrawing from a class will require you to repay any portion of your award, and how it may affect future financial aid eligibility.

Completely Withdraw From All HawCC Classes

To withdraw completely from HawCC, obtain a Complete Withdrawal form from the HawCC A&R/WHSS Office and follow procedures. If you are receiving Financial Aid, check to see if completely withdrawing will affect your eligibility status. If you were officially enrolled on the first day of instruction, you need not submit a new application to Early Register for the next semester.

The No Show Policy

You are responsible for attending both of the first two sessions of the class (or the first session for classes meeting once a week). If you do not attend class during this time, your instructor has the right to drop you to allow other students to register. There are financial aid implications if you are dropped from a class by an instructor. For tuition refunds, refer to the refund dates listed. If you have been dropped from a class by the instructor, you will be notified by the HawCC Admissions and Records Office.

The No Show Policy does not guarantee you will be dropped. Check with the instructor to confirm. Students who are enrolled in classes are obligated to pay any unpaid tuition balances, regardless of their attendance record.

## How and When to Pay

All tuition and fees are to be paid in accordance with published deadlines and payment procedures. Registration will temporarily reserve your classes. With payment of tuition and fees, classes are made official. Failure to pay by the published deadlines may result in cancellation of your registration. VISA, MasterCard, debit cards, or electronic checks (eChecks) are accepted for tuition payments made online. Only checks, money orders, and cash will be accepted in-person at the Business Office at Bldg. 397 in Hilo on the Manono Campus (934-2740) or at the UH Center, West Hawai‘i (969-8812). Make checks or money orders payable to: Hawai‘i Community College, identified with your name and UH number.

### Payment Plan

An installment plan is available to students who cannot pay in full by the published deadline. A $30 non-refundable plan fee is charged per student per semester to participate. For more info, log into your MyUH Portal account.

## Financial Aid Information

For information, contact the Financial Aid Office, Building 379A Room 4 on Manono Campus, or call 934-2712. Students receiving scholarships should notify the Financial Aid Office (FAO) via UH portal.

To request financial aid for Distance Education classes, please submit a Request for Funding Consortium Classes form. Students taking DE classes from other University of Hawai‘i campuses must be enrolled in at least 6 credits at HawCC to be eligible for financial aid through HawCC. Per federal regulations, federal financial aid awards issued through HawCC can pay for HawCC tuition/fees only. Students enrolled in classes at another campus must pay that campus directly. Any award balance, after HawCC charges are paid will be for the student to use toward other educational expenses.

### Payments by a Third Party Sponsoring Agency

If your tuition is being paid by a third party sponsoring agency, (e.g. Alu Like, Vocational Rehabilitation, Armed forces branch, etc.) a letter of financial guarantee, purchase order, or authorization letter from your sponsor must be submitted to the Business Office by the payment deadline. You are also responsible to pay the remaining tuition and/or fees by the appropriate payment deadline.

If the Business Office does not receive a letter or purchase order from your sponsor, you must pay for your own tuition and fees. If you paid for your tuition/fees and then the sponsor sends payment, the Business Office will process a refund. If the sponsor does not pay for the tuition and fees as authorized by their letter or purchase order, the obligation may become the responsibility of the student.

### Refunds for Withdrawals

Any refund can be directly deposited into a checking or savings account by signing up for eRefund through the MyUH Portal.

#### Fees

No fees refunds unless a complete withdrawal is made by 4:00pm on Friday, August 29, 2014.

#### Tuition

  - Mon, Sept 15, 2014 (4 pm if withdrawing from last class at a home institution)

Registering and Paying for Distance Education

Distance Education (DE) classes are available for students at various campuses of the University of Hawai’i system. You must meet all the application and registration deadlines at the campus where you register for these classes. To select appropriate courses, please check with your home campus counselor/advisor for your degree requirements and course prerequisites.

Distance learning provides students with access to education through a network of various technologies. Instructor and student interact without having to be physically present in the same location. Distance learning provides students flexibility in achieving educational goals through audio, video, and computer technologies.

Working collaboratively, the University of Hawai’i Community Colleges offer courses leading to an Associates degree through Cable TV, the Internet, interactive television (HITS), and VideoConferencing. You may choose to earn your degree through a combination of distance-delivered and on-campus courses. For more information about Distance Learning at the University of Hawai’i Community Colleges, see www.hawaii.edu/dl

The UHCC e-learn site provides students with information on distance courses offered. Online orientation is available, designed to familiarize students with distance learning at the University of Hawai’i Community Colleges. It also provides informational resources to support services and offers tips to help students become successful distance learners.

HawCC offers DE classes via HITS, VideoConferencing, and Internet. Other campuses offer DE classes including cable TV. Cable classes for Hawai’i Island are broadcast on channel 55. Internet classes require access to the Internet and an e-mail account. Multimedia and/or copyright fees may be required in addition to tuition. Textbooks must be purchased by the student.

If you are a current UH system student, you may register for any Community College DE class. If you wish to register for a UH Mānoa, UH Hilo, or West O’ahu DE class, contact the Admissions office of that institution first. If you are NOT currently a UH system student, please visit or call the appropriate office on the campus nearest you for application and registration information.

MyUH Portal  http://myuh.hawaii.edu

MyUH provides the UH community with secure, personalized access to UH services such as registration, financial aid, and student records information. A helpful feature of the portal is auto-messaging, where students will automatically receive messages about critical processes that affect them, such as announcements that a class they registered for has been cancelled or that a grade change has been made.

MyUH includes e-mail, a calendar, a link to Academic Service (also called Self-Service) functions, the STAR Advising Tool, and integration with personal announcements.

Access to the MyUH Portal requires a UH Username and password. Once online, you may get to the Self-Service functions by clicking on the “Academic Services” icon at the top right, or in the left column.

You, and only you, have access to your information. View your information by logging on from any computer that can connect to the Internet (below lists system recommendations).

For your security and privacy:
- DO NOT share your password with anyone.
- When you are finished viewing your information, click the EXIT button on the upper right of the screen. This properly closes the connection to your account.

Accessing MyUH Portal

PC users: Chrome (current version), Internet Explorer (7, 8, or 9), or FireFox (10 ESR or 17 ESR)
Mac users: Safari

Go directly to http://myuh.hawaii.edu or choose the “MyUH” link at the top of Hawai’i Community College’s homepage at www.hawaii.hawaii.edu

Following the format shown on the screen, enter your UH Username and password. Click the Login button to proceed.

Your MyUH account will be disabled after 5 unsuccessful attempts. Should this happen, contact the University of Hawai’i ITS Help Desk toll free at 1-800-558-2669.

Students without Internet access at home may use designated campus computers located at the Library, the Cafeteria, at Lava Landing in the Campus Center, at the Hale Kea Advancement and Testing Center on the Manono Campus, in WH at the Library/Learning Center, or at the WH computer lab.

Reminder about Campus Locations

Students are advised to check campus location of classes during registration. HawCC may offer classes in Hilo, Kā‘u, Wai‘anae, Honoka‘a, and West Hawai‘i in Kealakekua. The building/room information may help indicate location.

Viewing Grades at the End of the Semester

Grade Reports (report cards) are no longer mailed. Grades for each semester are posted to students’ MyUH accounts after ALL classes for the semester have finished; refer to the calendar at the front of this schedule. To view your final grades at the end of the semester, access your MyUH account, click on Student Records, then click on View my Final Grades. Students are responsible for monitoring their academic status.

Grades will also appear on the STAR Advising tool. STAR is available through your MyUH account.

Time Ticket Info

You may view information for Fall 2014 classes any time after April 1st, but you cannot register until your assigned time. Students are assigned a registration “time ticket” based on the number of credits completed at their home institution (do not include in-progress credits). Students may register after their time ticket; however, students are encouraged to register early because classes have limited seating and fill on a first-come, first-served basis.

Reminder: If you early register, then your Tuition and Fees are due no later than 4:00pm on July 25, 2014. Or, you must submit an application for the payment plan.

You may be dropped from your classes if payment or a payment plan application is not received by this deadline.

Online Registration will be unavailable after 4:00pm on July 25, 2014 to process disenrollments for non-payment. Registration will reopen after the process is finished.

HawCC Online Orientation

To know how to make use of campus resources and know what is expected of them, students are encouraged to view HawCC’s on-
line PowerPoint presentation. Choose the “Future Students” link on Hawai‘i Community College’s homepage at www.hawaii.hawaii.edu then click on “Orientation.”

**E-mail Account Information**

Students need a UH username/password to register for classes, check financial aid status, review grades, and access student records. This same UH username/password provides access to your free hawaii.edu e-mail account where important HawCC information will be sent. You are responsible for frequently checking your e-mail account and managing your inbox so that mail can be delivered.

To obtain a username and password (or to reset a forgotten password) go to www.hawaii.hawaii.edu and click on the “MyUH” link at the top of the page. Choose “Get a UH username” from the left. You will be taken to a “Check Status” page to complete and submit. This page will accept one of two ID numbers:

- your 9-digit Social Security number
- your UH number (e.g. 12345678)

The UH number for new applicants is printed on your acceptance letter. By providing one of the above ID numbers and your Date of Birth, you should receive your UH Username and password in a few minutes. Log into www.hawaii.hawaii.edu and click on the “MyUH” link at the top of the page.

For assistance, call HawCC’s Information Center at 934-2500 or stop by in Bldg. 378 on the Manono Campus. Or call the ITS Help Desk toll free at 1-800-558-2669.

**Student ID Card Information**

As a HawCC student, you will need a student photo ID. You should carry your ID card at all times while on campus and present it when asked by security and/or staff. The cost is $10.00 (cash/check only) for the first ID. Additional fees will be charged for replacements or for changing campuses (e.g. transferring from UHH). No charge for validating existing ID cards. Picture-taking and validation are done at Lava Landing (Campus Center). Call 932-7365 for hours.

After registering for classes, new, transfer, and returning students need to bring a current (valid) photo ID with birthdate (e.g. driver’s license, state issued ID, or passport). Continuing students can get their existing HawCC student ID cards revalidated for free after registering for classes; revalidation stickers are available at at Lava Landing in the Library/Learning Center. Call 969-8830. Continuing students can get their WH student ID cards revalidated for free by showing their current ID card after registering for classes.

**Parking Information**

In Hilo, the Manono (Lower) Campus does not require a permit. All parking is open except in designated and marked stalls.

However, to park on the Upper campus, a University Parking Permit is required from 6:00am - 4:00pm during the Fall and Spring semesters. Permits for different zones are sold by the semester and/or academic year on a first-come, first-served basis. To obtain a permit you must submit:

- a completed application
- a valid vehicle registration
- a current driver’s license
- an owner’s waiver (if you are not the registered owner)
- verification of enrollment (e.g. class schedule or fee slip)

Return these with payment to the Parking Office, Upper Campus, Auxiliary Services Bldg. 300, Room 101. The office is open Monday-Friday 8:00am - 4:00pm (closed on holidays).

For short-term visits, $3/day passes are sold at the Kawili St., Nowelo St., and Lanikaula St. entrances, or at the parking office. Refunds are given if you leave within a half hour.

Vehicles entering campus with two or more people are eligible for a free car pool pass, available at gate locations listed above. A University permit or day pass is also required to park in a car pool stall.

Handicapped stalls require both a University permit and either a placard or special plates.

There are various reserved stalls around campus. These include, but are not limited to, loading stalls (15 minute limit), service stalls, alternative fuel (AF) stalls, and an electric vehicle (EV) charging station (in the STB/LS parking lot). Parking in these stalls is limited to those who qualify.

For more info about parking on campus, call 932-7001 or visit www.uhh.hawaii.edu/auxsvc/parking.

Is your class full? Get on a Waitlist.

The University of Hawai‘i has implemented electronic waitlisting for select classes. You must still meet the class registration requirements before adding your name to the list.

Being on a waitlist does NOT guarantee registration in a class. When a seat becomes available, a notification will be sent to the first person on the waitlist. Notices will be sent to your UH hawaii.edu e-mail address. If you choose to waitlist for a class, be sure to check your e-mail regularly because there is a time limit as to how long an open seat will be held for you.

NOTE: Tuition payments must be made by the published deadline. Students who do not pay tuition by the deadline will be removed from their waitlist(s).

The last day to add your name to a waitlist for Fall 2014 is Saturday, August 23, 2014. All waitlists will be purged before the semester begins.

For more information view http://myuhinfo.hawaii.edu/object/waitlistfaqs.html

Degree/Certificate Conferral and Ordering Diploma/Certificate

Upon successful completion of program requirements, degree(s)/certificate(s) will be automatically conferred, and credential(s) recorded on your academic record. Your name and credential awarded will appear in the Spring commencement program and will be included in public notices published by the college, unless you notify the ARO, in writing, that you would like your name excluded from the commencement program and public notices. You may also “opt-out” of automatic degree/certificate conferral by notifying the ARO, in writing, that you wish to do so.

By early-October, an email from hawgrad@hawaii.edu will be sent to all students who have or are in-progress to complete degree/certificate requirements. If you believe you are close to completing your program requirements and do not receive this email, please contact the ARO for assistance in determining your status.

To order a diploma/certificate, submit an Application for Degree/Certificate, along with payment, if applicable, to the ARO by December 11, 2014.

For further assistance, contact the ARO at (808) 934-2710 or at hawccari@hawaii.edu.
