Hawai‘i Community College Early Childhood Education, West Hawai‘i

This program is designed to provide attitudes, skills, and knowledge for people who work with young children and their families in a variety of early childhood programs. The Certificate of Completion (C.C.) or Certificate of Achievement (C.A.) prepares students for support roles in early childhood programs. An Associate in Science (A.S.) degree prepares students to be teachers or lead practitioners in early childhood programs. The A.S. degree is articulated with UH West O‘ahu’s Bachelor’s Degree in Social Science with a concentration in Early Childhood Education.

Students taking Laboratory or Practicum courses may be required to complete fingerprinting and criminal history record checks.

Hawai‘i Community College AS Degree in Nursing (R.N.), West Hawai‘i

Courses for the Associate of Science Degree in Nursing (Registered Nurse) are offered through the University of Hawai‘i Center, West Hawai‘i (UHCWH). Pending the availability of faculty and number of qualified students, the next nursing class will be accepted during Spring 2014 and will start the nursing courses Fall 2014.

The 30 credits of prerequisite and corequisite courses for the nursing program are offered prior to the acceptance of each first year nursing class. Consult the schedule of courses for Hawai‘i Community College’s current offerings. (PHRM 203 can be taken from Maui College or Windward Community College as a distance education offering.)

Students interested in the nursing program should be aware of the admission requirements. Admission information for the nursing program is found in the most recent HawCC General Catalog or at the HawCC Division of Nursing and Allied Health homepage: http://www.hawaii.hawaii.edu/nursing/
