ATI TEAS® Test
2022-2023

What is the TEAS® Test?
The Test of Essential Academic Skills (TEAS®) from Assessment Technologies Institute, LLC (ATI) is an exam used by nursing programs across the U.S. as a predictor of student success in nursing. TEAS® scores are required for admission to Hawaii Community College’s nursing programs; both the A.S. in Nursing (R.N.) and the C.A. in Practical Nursing (L.P.N.). The exam is administered online, has a time limit of 209 minutes and includes 170 four-option multiple-choice questions. Calculators may be used for the ATI TEAS test. Test results are available upon completion.

Who should register for the TEAS® Test?
Students intending to apply to Hawaii Community College’s Nursing Program for Fall 2023 will need to have TEAS® exam results available by the admissions application deadline of Tuesday January 17, 2023. Students must earn an individual score at the Proficient or higher level in order to apply for admission. The exam may be taken no more than three (3) times per calendar year, but only the HIGHEST set of TEAS® test results will be considered for admission. Applicants will be required to wait a minimum of 30 days before retaking. Information about preparing for the ATI TEAS® can be accessed at www.atitesting.com.
