General Information

Kauhale

Hawai'i Community College embraces the concept of Kauhale that traditionally means the Hawaiian village. Kauhale is an 'ohana of administrators, faculty, staff, students, their families, and the Hawai'i Island community that contributes measurably to the success of our college's mission and outcomes. Kauhale maximizes the "community" in our mission through dialogue, planning, innovation, and assessment across traditional college divisions and units. Kauhale enables all members of the college 'ohana to recognize and celebrate our own individual skills, knowledge, and experiences as well as the skills, knowledge, and experiences of others. Kauhale unites all components of Hawai'i Community College into an "academic village without walls" for the overall success of our learners, the learners' communities and their families, in the spirit of E 'Imi Pono (seeking excellence).

Mālama Ke Kula Kaiaulu o Hawai'i i Kauhale, he 'ike ku'una Hawai'i ia no ke kaiaulu. 'O Kauhale ke kaʻā e paʻa ai kākou, nā luna hoʻopono pono, nā pūʻulu kumu kula, nā limahana, nā haumāna, kaʻohana, a me ko ka Moku o Keawe kaiaulu iʻohana hoʻokahi. A e hoʻolokā a e hoʻonui launaʻole Kauhale i ka holo pono ʻana o ko kākou ala nuʻukia a me ko ke kula kaiaulu nei mau hopena aʻo. Na Kauhale e hoʻomāhuahua ana i ko kākou nuʻukia ma o ke kūkākūkā ʻana, ka hoʻolālā ʻana, ka ʻimi mau ʻana o ka ʻoi loa aʻe, a me nā loiloilohomua ʻana ma waho aʻe o ka mokuna kālaiʻike a me nā keʻena kākōʻo maʻamaʻu o ke kūʻuna kula kaiaulu e kū nei. Na Kauhale e hoʻomana i nā lālā a pau o ko ke kākou kula kaiaulu nei ʻohana e mea e ʻike a hoʻike aʻe a i ko kākou mau mākau iho, ko kākou naʻauo iho, a me ko kākou ʻike iho a hāpai pū ma ke ʻakea. 'O Kauhale ke kaʻā e hoʻopili ana i nā mahele like ʻole o ke kūʻia kula kaiaulu nei i kaiaulu kūlaiʻike me nā paiaʻole no ko ka holo pono ʻana o nā kānaka ʻimi naʻauo, no ka honua ʻimi naʻauo a no ko lākou mau ʻohana o ma ka manaʻo oʻo EʻImi Pono.

Mission

To promote lifelong learning, Hawai'i Community College will emphasize the knowledge and experience necessary for Kauhale members to pursue academic achievement and workforce readiness. Aligned with the mission of the UH Community Colleges, we are committed to serving all segments of our Hawai'i Island community.

Vision

Our Kauhale of lifelong learners will be productive and engaged citizens capable of meeting the complex challenges of our island and global communities.

Institutional Learning Outcomes

Our Kauhale of lifelong learners will:

• Communicate effectively in a variety of situations.
• Utilize critical thinking to solve problems and make informed decisions.
• Apply knowledge and skills to make contributions to community that are respectful of the indigenous people and culture of Hawai'i island, as well as other cultures of the world.
• Utilize quality comprehensive services and resources in the on-going pursuit of educational and career excellence.
• Produce and perpetuate safe, healthy learning and professional environments that are respectful of social and individual diversity.
• Contribute to sustainable environmental practices for personal and community well-being.

Ke Ala Nu'ukia

No ka hoʻopiʻi ʻana i ka hoʻonaʻua ʻia ʻana a kau i ka puana, na ke Kulanaui Kaiaulu o Hawai'i e kaulele ma ka ʻike e pono ai nā hoa Kauhale i naʻauo a mākaukau hoʻi. Ma hope mākou o ke ala nuʻukia o nā Kulanaui Kaiaulu Hawai'i a pau a na mākou nō e lawelawe i ko Hawai'i nui kuauki.

Ka ʻŌlelo Nu'ukia

E lilo ana nā kānaka ʻimi naʻauo o ke Kauhale i kupa hoʻoiaka a papau hoʻi i hiki ke ʻa a i nā kūlana nōhiihi o ko kākou kula kaiaulu mokupuni a me ko kākou kaiaulu honua.

Nā Hopena Aʻo Honua Kula

Our Na nā kānaka ʻimi naʻauo o ke Kauhale e:

• Hoʻokaʻaʻike pono i nā manawa like ʻole.
• Noʻonoʻo o loi ma ka huli ʻana i ka hāʻina a hoʻoholo mana o me ke naʻauo.
• Kōkua i ke kaiaulu, me ka ʻike a me ka mākau, a me ka mahalo hoʻi i nā kānaka ʻōiwi a me nā moʻomeheʻu ʻōiwi o Hawaiʻi nei, a me nā moʻomeheʻu ʻeʻa e o ka honua.
• Kūlia i ka nuʻu ma ka ʻimi naʻauo a ma ka ʻoihana hoʻi ma o ka huli ʻana ma nā ʻoihana a me nā kumuwuaiwai maika'i.
• Hoʻopuka a hoʻomau i kekahi kaiaupuni a o maluhia me ona kaiaupuni ʻoihana e mahalo i ke kanaka a me ke kaiaupilii.
• Mālama i ke kaiaupuni no ko ola pono ʻana o ke kanaka a me ke kaiaulu.
General Education Philosophy

For the learner, general education at Hawai‘i Community College fosters self awareness; broadens the understanding of an individual’s roles within communities and environments; supports cultural understanding; emphasizes the breadth and interconnectedness of knowledge; and creates a foundation for continued personal, intellectual, and professional development.

The Academic Senate initiated and oversees the General Education (GE) Committee, made up of discipline faculty and student support services representation, which considers for approval courses appropriate for GE designation for the AA and AS degrees.

The course designation process for AAS degrees involves agreements between the degree program and discipline faculty who approve courses as appropriate for meeting the programs’ Cultural, Natural, and Social Environments GE requirements.

General Education Learning Outcomes (GELOs)

- GELO 1: Communication - Speak and write to communicate information and ideas in professional, academic and personal settings.
- GELO 2: Critical Reading - Read critically to synthesize information to gain understanding.
- GELO 3: Critical Thinking - Make informed decisions through analyzing and evaluating information.
- GELO 4: Information Competency - Retrieve, evaluate, and utilize information.
- GELO 5: Technological Literacy - Employ computer technology to perform academic and professional tasks.
- GELO 6: Quantitative Reasoning - Apply mathematical concepts, methods, and problem-solving strategies to analyze, synthesize, and evaluate real-world problems in quantitative terms.
- GELO 7: Areas of Knowledge - Utilize methods, perspectives and content of selected disciplines in the natural sciences, social sciences, and humanities.
- GELO 8: Self and Community - Engage in activities demonstrating understanding of one’s relationship with one’s communities and environments.
- GELO 9: Cultural Diversity - Articulate and demonstrate an awareness and sensitivity to cultural diversity.
- GELO 10: Ethics - Articulate and demonstrate knowledge of ethical behavior and the process of ethical decision-making.

Accreditation

Hawai‘i Community College is accredited by the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, 10 Commercial Blvd., Suite 204, Novato, CA 94949, (415) 506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education. Additional information about accreditation, including the filing of complaints against member institutions, can be found at www.accjc.org.

For further information regarding the College’s accreditation process, visit the accreditation web page at https://hawaii.hawaii.edu/accreditation.

In addition to the College’s overall accreditation, there are other specialty accreditations for certain programs:

A Rich Legacy

From its start in 1941 as the Hawai‘i Vocational School, the College has provided access to higher education opportunities, trained a skilled workforce and supported economic development of the County. With the advancement in technology and expansion of educational opportunities into broader fields of technical training, the institution was renamed the Hawai‘i Technical School in 1956.

In May 1970, the institution joined the University of Hawai‘i as a comprehensive community college with the name Hawai‘i Community College. Other significant developments for the College were the offering of college degree classes in Kona beginning in 1982, and the establishment of continuing education programs throughout the island of Hawai‘i in 1992. In July 1997, Hawai‘i Community College assumed administration of the University of Hawai‘i Center, West Hawai‘i, located in Kealakekua. In Fall 2015, the University of Hawai‘i Center, West Hawai‘i moved to a new branch campus of Hawai‘i Community College at Pālamanui in North Kona to serve the West Hawai‘i community. This new branch campus of Hawai‘i Community College is called Hawai‘i Community College-Pālamanui.

Hawai‘i Community College-Pālamanui opened its doors in Fall 2015, offering two-year Associate degrees through a rich array of classes in Culinary Arts, Nursing, Hawaiian Culture,
Science, Liberal Arts, and more. The campus also delivers Bachelor’s and graduate-level degrees from other campuses in the UH System, such as UH Hilo, UH Mānoa, and UH West O‘ahu. Hawai‘i CC-Pālamanui is a vibrant and essential resource for those who call West Hawai‘i home. The new classrooms, science laboratories, learning kitchens, and learning resource center are state-of-the-art, LEED Platinum Certified facilities designed for 21st century learning.

Community Involvement

Community partnerships and collaboration are central to the mission of the College. To keep curricula and requirements current and relevant, the College has invited community leaders in business, industry, and the professions to serve as advisers to provide guidance regarding course content, selection of training equipment, employment needs, and the effectiveness of different programs.

Program advisory councils are formed for each degree program. In addition, the Chancellor of the campus seeks advice from community and business leaders on ways the College can assist in development for the community. Members of these advisory groups are listed throughout the catalog.

The Hawai‘i Community College Learning Experience

The uniqueness of the Hawai‘i CC experience is the focus on four complementary elements that frame the learning climate: Community work-based learning; using and learning Technology; perpetuation of Hawaiian culture; and caring for the Environment.

The College has a rich history of work-based learning, from the Model Home project where the construction trades programs design and build a house, to working on customer jobs, and including a wide range of internships, service learning and volunteer work. Students in every discipline have opportunities to apply what they have learned in the classroom, and give back to the community.

Technology is interwoven into nearly every aspect of the College and is used to support distance learning utilizing the Internet or videoconferencing. Technology supports classroom instruction such as the use of global positioning systems (GPS) in Agroforestry, computer assisted design (CAD) in the Architectural/Engineering/CAD Technologies Program, and in certificate and degree programs such as Information Technology and CISCO networking.

The College has made a commitment to become the center for the study of Hawaiian culture, with an emphasis on the practice, perpetuation, and evolution of the culture. This includes an Academic Subject Certificate in Hawai‘i Life Styles, and an Associate in Arts in Hawaiian Studies degree which are being delivered island-wide.

An Associate in Science Degree and certificate program in Tropical Ecosystem and Agroforestry Management is a key component of our focus on caring for the Environment. The College also supports an Academic Subject Certificate in Environmental Studies and has numerous projects which reflect our commitment to the natural environment.

Learning by doing through community work-based learning and expanding the classroom through the use of technology, spiced with the unique Hawai‘i Island environment and the spirit of Kauhale, equals the Hawai‘i Community College learning experience.

Campus Governance

The interests of faculty, staff, and students are represented by three separate and equally important bodies:

- Academic Senate
- Associated Students of the University of Hawai‘i - Hawai‘i Community College
- College Council

In order to ensure the integrity and effectiveness of the College’s governance and decision-making processes, roles of governance groups, such as College Council and Academic Senate, are regularly evaluated and results communicated with college constituent groups. (Policy Haw 3.303)

Academic Senate

The Academic Senate of Hawai‘i Community College convenes as an organization to maintain and strengthen academic decision-making at the College and system-wide levels. The purpose of the Academic Senate is to ensure academic integrity of the College. The Senate functions as a recommending and governing body. Senate responsibilities include but are not limited to the development, modification, initiation, and review of academic policies and issues in consultation with the Chancellor and others as needed. Membership consists of all BOR-appointed instructional and non-instructional faculty covered by Collective Bargaining Unit 7 who have their primary assignment with Hawai‘i CC. Members of the Academic Senate are referred to as Senators. All Senators have the rights of voice and vote.

Associated Students of the University of Hawai‘i - Hawai‘i Community College

The Associated Students of the University of Hawai‘i - Hawai‘i Community College (ASUH-Hawai‘i CC) is a chartered student organization (CSO) established to carry out functions or operations on behalf of the University for the purpose of serving the entire Student Body of Hawai‘i CC. The ASUH-Hawai‘i CC pledges to build a community which is student oriented and establishes a democratic system of government committed to fellowship and service.

Membership consists of students whose home campus is Hawai‘i CC and who are enrolled in at least one (1) credit offered by Hawai‘i CC.
College Council

The College Council of Hawai‘i Community College convenes as the Chancellor’s means to maintain and strengthen communication. The purpose of the Council is to serve as a college-wide organization with representatives from all major campus constituencies and ex-officio members. The Council’s primary purpose is to serve as the Chancellor’s forum to facilitate a dialog on college-wide issues. The Council advises the Chancellor on issues that affect the entire college and that are not exclusively governed by another body, such as the Academic Senate and/or ASUH-Hawai‘i CC. Ex-officio members and representatives must be full-time administrators, BOR-appointed faculty, or APT and clerical regular hires. Constituencies to be represented and ex-officio members are determined by the Chancellor and the Administration in consultation with the Council. Ex-officio members and constituencies for Council representation are determined by the most current Organizational Chart to ensure college-wide participation. (Policy Haw 3.303)

Hawai‘i Papa O Ke Ao

Hawai‘i Papa O Ke Ao is a UH System-wide Strategic Direction’s imperative to become a model indigenous-serving institution. The phrase Hawai‘i Papa O Ke Ao means “Hawai‘i Foundations of Light/Knowledge.” A co-campus collaboration between Hawai‘i Community College and the University of Hawai‘i at Hilo, the goal is to seamlessly integrate our rich Hawaiian cultural heritage into our Western academic setting in order to build bridges to success for all college and university students and employees.

Ho‘olulu Council

The Ho‘olulu Council’s mission is to honor, empower, and advance Native Hawaiian people, culture, and language through excellence in higher education. The Council serves as an advisory body to the Chancellor of Hawai‘i Community College. The Council was responsible for the development of the college’s Hawai‘i Papa O Ke Ao plan to indigenize the institution. The Ho‘olulu Council is a member of the University of Hawai‘i’s Pi‘oka‘a Council which serves as an advisor to the UH President on issues that have particular relevance for Ka Pae ‘Āina o Hawai‘i and Native Hawaiians. The Ho‘olulu Council is also represented on the Community College’s Native Hawaiian Chairs Council and serves as an advisor to the UH Vice President of Community Colleges.

Kīpaepae Hawai‘i Protocols Committee

Hawai‘i Community College is celebrated throughout the University of Hawai‘i System for having a campus culture foundation in Hawaiian culture. A significant contributor is the implementation of Hawaiian protocols facilitated by the Kīpaepae Hawai‘i Protocols Committee. A co-campus commit-

Chaminade University of Honolulu

Early Childhood Education

Chaminade University of Honolulu, through their Extended University Accelerated Undergraduate Program, offers a 2+2 pathway leading to a Bachelor of Science in Early Childhood Education, and Bachelor of Science Early Childhood Education with Montessori/Pre-K-K Licensure. Options include a 100% online non-licensure track and a hybrid Pre-K-K licensure with Montessori credential track. The Hawai‘i Community College AS in Early Childhood Education articulates with the 2+2 at Chaminade. For more information, contact Jana Smith at (808) 934-2629 or Brenda Watanabe at (808) 934-2637.

Eastern Oregon State University

Fire Services Administration Program

Hawai‘i Community College’s Fire Science Program entered into an articulation agreement with Eastern Oregon State University’s (EOU) Fire Services Administration Program to promote educational opportunities for students to earn a Fire Service Administration Bachelor of Science Degree. A completion of a Hawai‘i CC AS in Fire Science degree will fulfill all of EOU’s lower division Fire Service Administration course requirements. Students who transfer to EOU will receive a transcript evaluation to determine what completed courses can be applied to the EOU General Education requirements. For more information, contact the Counseling, Advising and Support Services Center at (808) 934-2720.

Oregon State University

Hawai‘i Community College entered into an articulation agreement with Oregon State University (OSU) to promote educational opportunities for students to earn a Bachelor’s Degree. Hawai‘i CC students can be jointly admitted and concurrently enrolled at OSU. Upon earning an Associate Degree from Hawai‘i CC, students can transfer to OSU with junior standing and with lower division general education requirements completed. For more information, contact the Counseling, Advising and Support Services Center at (808) 934-2720.
University of Hawai'i at Hilo

Art Program

A Memorandum of Understanding (MOU) was created between the University of Hawai'i at Hilo (UH Hilo) and Hawai'i Community College (Hawai'i CC) to provide a transfer pathway for a student who completes a Hawai'i CC Associate of Arts with a Concentration in Art degree and wants to pursue a Bachelor of Arts degree in Art at UH Hilo. For more information, contact the Counseling, Advising and Support Services Center at (808) 934-2720.

University of Hawai'i at Hilo

College of Business & Economics Program (COBE)

A Memorandum of Understanding (MOU) was created between the University of Hawai'i at Hilo (UH Hilo) and Hawai'i Community College (Hawai'i CC) to provide a transfer pathway for a student who completes an AA Liberal Arts degree in the Exploratory Business track and would like to pursue a Bachelor of Business Administration in General Business or Accounting at UH Hilo. For more information, contact the Counseling, Advising and Support Services Center at (808) 934-2720.

University of Hawai'i at Hilo

Degree Pathways Partnership Program

A Memorandum of Understanding (MOU) exists between the University of Hawai'i at Hilo (UH Hilo) and Hawai'i Community College (Hawai'i CC) to cooperatively promote successful undergraduate educational experiences for students who attend both institutions through curricular and advising pathways. The Degree Pathways Partnership facilitates the completion of baccalaureate degrees at UH Hilo by students who begin their post-secondary education at Hawai'i CC.

This partnership supports student access, success, and 4-year degree completion by improving academic program articulation; offering students the opportunity to be admitted to, and receive advising from, the 4-year program while they are completing their Hawai'i CC program; and fostering better alignment between learning goals at each institution. This agreement benefits students and programs on both campuses.

University of Hawai'i at Hilo

Natural Science Programs

A transfer agreement exists between the University of Hawai'i at Hilo (UH Hilo) and Hawai'i Community College allowing Hawai'i CC graduates with an Associate of Science degree in Natural Science degree (AS-NSCI) who transfer into UH Hilo to receive automatic admission as juniors. This program is designed to fulfill most of the UH Hilo core requirements, and most of the entry-level STEM requirements for Life Sciences at UH Hilo. This state-wide program also allows students to transfer easily to any of the Community College campuses in the UH System. For more information, contact Pamela Scheffler by e-mail (pamelays@hawaii.edu).

A second Memorandum of Understanding (MOU) was created between the University of Hawai'i at Hilo (UH Hilo) and Hawai'i Community College (Hawai'i CC) to provide several Natural Science pathways for a student who completes an AS in Natural Science degree and would like to pursue a BA in Natural Science at UH Hilo. These pathways also provide a specific track of education courses to prepare students for application into the Master of Arts in Teaching program. For more information, contact the Counseling, Advising and Support Services Center at (808) 934-2720.

University of Hawai'i-Mānoa

Aloha Pathway: Social Sciences

The College of Social Sciences (CSS) at the University of Hawai'i at Mānoa and Hawai'i Community College have collaborated for a new online dual-enrollment opportunity called the Aloha Pathway.

Designed for Hawai'i CC students interested in obtaining a Social Sciences degree from UH Mānoa, the partnership allows qualifying students to take online courses that articulate to various CSS Bachelor’s degree programs.

The online nature of the Aloha Pathway program allows Hawai'i CC students to conveniently learn at their own pace through flexible course offerings. For more information, please contact the Counseling, Advising and Support Services Center at (808) 934-2720.

University of Hawai'i-Mānoa

Early Childhood Education Program

Hawai'i Community College entered into an articulation agreement with the University of Hawai'i Mānoa (UHM). Students in the Associate in Science in Early Childhood Education (AS-ECED) program who would like to pursue a Bachelor of Education in Elementary Education with a Specialization in Early Childhood Education or a Bachelor of Education in Early Childhood and Early Childhood Special Education at the University of Hawai'i Mānoa will have a cohesive career pathway into these selected programs. For more information please contact Jana Smith (808) 934-2629 or Brenda Watanabe at (808) 934-2637.
University of Hawai‘i-Mānoa
Ka‘ie‘ie Degree Pathway Partnership

Ka‘ie‘ie is a transfer pathway program designed to help Hawai‘i Community College students successfully transfer to UH Mānoa. Ka‘ie‘ie students:

• are admitted to both UH Mānoa and Hawai‘i CC (dual-admissions)
• work with transfer specialists and counselors to create a long term academic plan
• receive academic advising at both campuses (Hawai‘i CC and UH Mānoa)
• can take UH Mānoa courses while still completing courses at Hawai‘i CC (dual-enrollment)
• register early upon transfer to UH Mānoa (priority registration)

To learn more about the Ka‘ie‘ie Program and eligibility requirements, contact the Counseling, Advising and Support Services Center at (808) 934-2720, or visit the webpage at uhcc.hawaii.edu/kaieie

University of Hawai‘i-West O‘ahu
Creative Media Programs

A multi-campus articulation agreement exists between Hawai‘i Community College, Honolulu Community College, Kapi‘olani Community College, Kaua‘i Community College, Leeward Community College, Windward Community College, University of Hawai‘i Maui College, and the University of Hawai‘i-West O‘ahu (UHWO). Students in the Associate in Science in Creative Media (AS-CM) program who would like to pursue a Bachelor of Arts in Creative Media with a Concentration in General Creative Media will have a transfer pathway into this BA program.

Also, students who complete an identified Associate’s degree at their respective institutions may transfer as classified students to the University of Hawai‘i West O‘ahu’s Bachelor of Arts (BA) in Creative Media with a concentration in Communications and New Media Technologies, Design and Media, General Creative Media, or Video Game Design and Development.

For more information, contact Meidor Hu (808) 934-2590.

University of Hawai‘i-West O‘ahu
BA in Social Sciences with a Concentration in Early Childhood Education

A multi-campus articulation agreement exists between Hawai‘i Community College (Hawai‘i CC), Honolulu Community College, Kaua‘i Community College, University of Hawai‘i Maui College, and the University of Hawai‘i-West O‘ahu (UHWO). Students in the Associate in Science in Early Childhood Education (AS-ECED) program who would like to pursue a Bachelor of Arts in Social Sciences degree with a Concentration in Early Childhood Education at the University of Hawai‘i-West O‘ahu will have several options to transfer seamlessly into this BA program. UHWO’s BA in Social Science with a Concentration in ECE is a program that is predominantly offered online. For more information, contact Jana Smith at (808) 934-2629 or Brenda Watanabe at (808) 934-2637.

WICHE Interstate Passport

Hawai‘i Community College is a member of the national Interstate Passport initiative. Based at the Western Interstate Commission for Higher Education (WICHE) in Boulder, CO, the Interstate Passport is a tool that facilitates the transfer of blocks of general education credit across state lines. The goal is to make the transfer process as seamless and efficient as possible, saving students money in the process. Students who have earned an Interstate Passport at another member institution may use that Passport to fulfill Hawai‘i Community College’s General Education requirements. Students who have earned a Passport at Hawai‘i Community College will be able to use it to facilitate transfer into member institutions across the United States. See the campus Interstate Passport website for further details: interstate-passport.wiche.edu

Construction Academy

In 2006, the Hawai‘i State Legislature passed a bill establishing Construction Academy programs at select University of Hawai‘i Community College campuses with a goal of preparing high school students with the technical, academic, and employability skills necessary to pursue a career in the construction industry. Hawai‘i Community College has since established Construction Academy programs at Waiakea, Kohala, Konawaena, Pāhoa, and Kea‘au High Schools, placing community college faculty at the high schools to teach courses, giving students the opportunity to earn community college credits while satisfying high school graduation requirements. For more information, contact Grant Ka‘au’a or Renette Pacheco at (808)934-2795, or visit www.hawaii.hawaii.edu/construction-academy

Distance Education at Hawai‘i Community College

Distance Education (DE) classes provide students the flexibility to complete coursework outside of the traditional classroom setting. Hawai‘i Community College (Hawai‘i CC) has partnered with other University of Hawai‘i Community Colleges to offer a variety of DE classes to meet the needs of students. In addition to the courses offered at Hawai‘i CC, Hawai‘i CC students are able to enroll in DE classes from all other UH Community Colleges (UHCC).

Hawai‘i Community College is an institutional member of the National Council of State Authorization Reciprocity Agreements (NC-SARA), commonly referred to as SARA. Students who are physically located in states that are SARA members may enroll in Hawai‘i Community College online courses without requiring additional authorization agreements with the individual state.

See www.hawaii.hawaii.edu/de for more information about distance education at Hawai‘i CC.
DE Classes are Offered in a Variety of Formats

Online Classes
Online classes offer flexibility for students with challenging schedules. Online classes require minimal requirements for students to come to campus. While classes have deadlines that need to be met, students taking online classes have the ability to access their classes via the Internet and study at times and places that best fit their schedules. Students must have access to a computer with reliable Internet connection.

See www.uhonline.hawaii.edu/onlinelearning for more information.

Cable Television Classes
Some University of Hawai’i campuses offer cable classes statewide or county only. Students may watch a class at the scheduled time or record the class lectures for viewing at a more convenient time. Students must have access or subscribe to Spectrum or Hawaiian Tel TV (not available on satellite TV).

See www.uhonline.hawaii.edu/cable for more information.

Interactive Television (ITV) Classes
Using video conferencing technology, ITV courses meet at a designated time and location although the instructor and students are in different locations. They can see and hear each other, creating a traditional classroom-like environment. ITV classes may also include an online component for additional instruction and materials. Students must be able to meet at the designated time and location to attend class.

See www.uhonline.hawaii.edu/interactivevideo for more information.

Student Success in DE classes
There are no special requirements to take an online class, as long as all prerequisites for the course are met. However, each student learns differently. Some students may be more successful in a regular classroom, while others may be more successful in a DE class.

Generally, successful DE students are:
- comfortable learning without seeing the instructor or classmates in person.
- comfortable learning on a computer or a TV.
- comfortable with using computers and other technology.
- self-disciplined, organized, and can independently follow lessons and complete coursework.
- able to create and stick to a schedule for his/her own learning.

Other considerations:
- DE classes take as much time as regular classes.
- DE classes require a substantial amount of reading and writing.
- DE classes require students to be organized to keep track of dates and assignments.
- DE classes may require a limited number of on-campus activities such as orientations, meetings, review sessions, and/or exams.

Equipment and Skill Requirements
Access to a computer with reliable Internet access is required, especially for online classes. Visit the UH Information Technology Services Web site at www.hawaii.edu/askus/585 for information on computer hardware recommendations.

Most DE classes will also require use of common word processing and presentation software (e.g., Word, PowerPoint), e-mail, and the Internet to communicate and to complete and submit course assignments.

Enrolling in DE Classes
Students can register for a DE class offered through their home campus, or through any of the other UHCC campuses, as long as the course and program requirements for that class are met. Students should check with a counselor or the Admissions and Records Office if there are questions or special circumstances (e.g., taking only DE classes or if there are questions about credit transferability).

Visit www.uhonline.hawaii.edu/courses to view the list of DE classes at all UH campuses. Before registering for a DE class, students should check all course information and notes listed for any specific requirements the class might have.

NOTE: All international students with an F-1 visa should check with a counselor for further information before registering for a DE class.

Academic Support for Students in DE Classes
Students who claim Hawai‘i CC as their home campus will be provided appropriate access to the following services for the DE classes in which they are enrolled (Policy Haw 5.200):
- placement testing,
- access to computers on campus,
- tutoring,
- Moskini and Pālamanui Library services, including: reference assistance; information literacy instruction; intra-system library loans; and access to reserves, print, and electronic collections. (NOTE: Before being granted library access, Hawai‘i CC DE students must be authenticated by showing a current validated ID.), and
- test proctoring (provided for all UH System DE classes).

Financial Aid Information
Financial aid may be applied toward a DE class. Students eligible for financial aid should check with the Financial Aid Office for additional information and requirements before registering for the class.

Laulima
The most important tool needed for a DE course is Lau lima. Lau lima is the University of Hawai‘i’s official online course management tool. Students should log in to Lau lima using their UH username and password. The address is https://laulima.hawaii.edu
Facilities

In East Hawai‘i, Hawai‘i CC shares a campus with the University of Hawai‘i at Hilo (UH Hilo) which consists of a 115-acre Main Campus and a 21-acre campus on Manono Street. To serve Hawai‘i CC and the University, there are 51 major buildings and 36 portables, including classroom buildings, special facilities for student laboratories, a library and media center, numerous well-equipped shops for use in trade and industrial courses, faculty offices, administration building, student services offices, a learning center with satellites, a campus center for student activities, an athletic complex, tennis courts, and playing field. The 110-acre University Agricultural Farm Laboratory is located in the Pana‘ewa Agricultural Park.

For information about West Hawai‘i, see the following section.

**Hawai‘i Community College-Pālamanui**

73-4255 Ane Keohokalole Highway
Kailua-Kona, HI 96740
Ph: (808) 969-8800
v/t: (808) 969-8816

The College serves West Hawai‘i at the new Hawai‘i Community College-Pālamanui campus, where many classes and associate degree programs are available. Pālamanui houses classrooms, vocational labs, a computer lab, and a library/learning center. The student support office provides access to Hawai‘i Community College counseling, financial aid assistance, registration information and special student success programs. Students attending Hawai‘i CC-Pālamanui have an opportunity to participate in a variety of class formats including: traditional instructor-led classroom settings, video conference classes, and hybrid classes that utilize a combination of technologies and/or face-to-face participation.

**University Center, West Hawai‘i at Pālamanui**

Carrie Kuwada Phipps, Educational Specialist
Ph: (808) 969-8808

Hawai‘i Community College-Pālamanui also hosts the University Center, West Hawai‘i. It is one of three University Centers that were established by the Board of Regents (BOR) in June 1996. The primary purpose of a University Center is to provide distance learning with local support for the many degrees and certificates offered by the University of Hawai‘i colleges and universities. Call for more information on current courses of study available through the Center.

For a complete listing of distance programs available through the University Centers visit [www.hawaii.edu/dl](http://www.hawaii.edu/dl)

**Kō Education Center (formerly North Hawai‘i Education and Research Center (NHERC))**

45-539 Plumeria Street
Honoka‘a, HI 96727
Ph: (808) 775-8890
Fax: (808) 775-1294

The Kō Education Center (formerly North Hawai‘i Education and Research Center (NHERC)) is a rural campus located in historic Honoka‘a town. KōEC strives to bring relevant, quality learning opportunities to the communities of Hāmākua and North Hawai‘i.

KōEC offers college classrooms, meeting rooms equipped with video conferencing, a computer lab, and a resource lounge with access to computers and WiFi. KōEC also provides a Testing Center for students to take proctored exams such as Accuplacer, course exams (both UH and national colleges), and serves as the Hawai‘i Island site for PSI licensure testing. Students attending KōEC have an opportunity to participate in a variety of class formats including: traditional instructor-led classroom settings, video conference classes, and hybrid classes that utilize a combination of technologies and/or face-to-face participation.

KōEC’s Kalehua Conference room is an indoor, air-conditioned meeting space for up to 100 guests and the Kapulena Pavilion is an outdoor event venue for up to 175 attendees. The Heritage Center at KōEC preserves and displays the rich history of Hāmākua and North Hawai‘i for local residents and guests from all over the world.

**Academic Support Services**

In Hilo, Hawai‘i Community College shares the library with the University of Hawai‘i at Hilo. In West Hawai‘i, students have access to the Library and Learning Center at Hawai‘i Community College-Pālamanui (see the Library and Learning Center section for more information).

**The Edwin H. Mookini Library**

Circulation Desk: (808) 932-7286
Information Desk: (808) 932-7296
[http://library. unh.hawaii.edu](http://library.unh.hawaii.edu)

Joseph Sanchez, University Librarian/Director
Ph: (808) 932-7315

Lari-Anne Au, Public Services Librarian
Ph: (808) 932-7510

The Edwin H. Mookini Library, completed in 1981, is located in the center of the Upper Campus. Its primary mission is to sup-
port the academic programs of both the University of Hawai‘i at Hilo (UH Hilo) and Hawai‘i Community College (Hawai‘i CC).

Mookini Library provides access to books and periodicals in print and online formats, DVDs, videocassettes, streaming educational videos, compact disks, and microforms. Students locate these resources through the library’s website. The Hawaiian Collection houses the library’s extensive Hawaiian holdings. To ensure student proficiency in the use of these collections, the staff provides reference assistance in-person at the Information Desk, by phone, or through email. The library also offers a comprehensive program of library instruction.

The Edwin H. Mookini Library provides other services and facilities that further the academic mission of the College. Students may utilize the audiovisual area with playback equipment. Students may also confer in the library’s group study rooms located throughout the building. PCs located on all three floors provide access to web browsing, word processing, spreadsheets, and other software to support coursework. Interlibrary loan services are available to assist students and faculty in obtaining research materials from other university libraries.

The Learning Center (TLC)  
Hilo (Upper Campus, Library, lower level)  
Lisa Fukumitsu, Student Success Coordinator  
Ph: (808) 934-2530  
www.hawaii.hawaii.edu/tlc

The Learning Center (TLC) is committed to providing current students with a variety of services which contribute to academic success. Our vision is to encourage and support student success through our five core values:

- Respect diversity
- Honor confidentiality
- Demonstrate patience and compassion
- Provide a safe learning environment
- Promote independent learning and critical thinking

TLC services include:

1. Free academic tutoring in reading, writing, math, study skills, English as a Second Language, and other content-area courses as available. Go to the TLC website, click on Find a Tutor for subjects and schedules  hawaii.hawaii.edu/tlc
2. Computer lab
3. Technology assistance (Laulima, STAR GPS, etc.)
4. Workshops
5. Employment opportunities for students who enjoy helping other students and have developed mastery in one or more courses

The Hale Kea Advancement and Testing Center (HKATC)  
Building 387 (Manono Campus), Hilo  
Kaleo Pilago, Educational Specialist  
(808) 934-2540  
fax: (808) 934-2541  
www.hawaii.hawaii.edu/halekea

The Hale Kea Advancement and Testing Center (HKATC) provides computers, a study area, and testing services (placement testing, distance education testing, and make-up testing) for current and prospective Hawai‘i Community College students.

As a service to the University of Hawai‘i community, Hale Kea proctors tests for students taking distance education classes from any of the ten University of Hawai‘i campuses. Hale Kea proctors tests from non-UH schools and private organizations as a community service for a fee. Proctoring services are contingent upon the availability of staff and facilities.

Hawaii‘i Community College-Pālamanui,  
Library and Learning Center  
Laurel Gregory, Librarian  
Karen Au, Educational Specialist  
Jean Jewell, Academic Support Specialist  
Ph: (808) 969-8830  
fax: (808) 209-8028

The Library and Learning Center at Pālamanui houses a small on-site collection of books and DVDs, along with access to thousands of books and periodical articles in electronic format. The staff offers formal and informal computer literacy and research instruction, reference services, and help in obtaining research materials from other UH campus libraries. Free academic tutoring is available to Hawai‘i Community College students as well as test proctoring for UH system classes. Placement testing is offered year-round.

Academic Support for Distance Education Students

Students who claim Hawai‘i CC as their home campus for distance education purposes will be provided appropriate access to the following services for Hawai‘i CC courses in which they are currently enrolled:

- Tutoring
- Placement Testing
- Computers
- Mookini Library/Library & Learning Center at Pālamanui:
  - Reference assistance
  - Information literacy instruction
  - Intrasy stem library loan
  - Reserves, print, and electronic collections

Test proctoring will be provided for UH distance education classes. (Policy Haw 5.200)

Remote access to library resources is authenticated by using a currently valid UH username and password.
I Ola Hāloa Center for Hawai‘i Life Styles
Bldg. 380 (Manono Campus), Room 34
Ph: (808) 934-2600
fax: (808) 934-2601
www.hawaii.hawaii.edu/i-ola-haloa

Paepae ‘Ōhua Native Hawaiian Student Success Center
Monica Burnett, Educational Specialist

Ha‘akūmalae Protocols Program
Taupōuri Tangarō, Professor
Pele Kaio, Instructor/Committee Chair
No‘el Tagab-Cruz, Instructor/Co-Chair

I Ola Hāloa Center for Hawai‘i Life Styles offers full support for student success. Based on Native Hawaiian philosophy and foundation, I Ola Hāloa initiatives include:

• Paepae ‘Ōhua Native Hawaiian Student Success Center where advising, tutoring, peer mentors, and other services to support academic success are offered.
• Ha‘akūmalae Hawaiian protocols and cultural bridging initiative for faculty, staff, and learners from Hawai‘i CC and the University of Hawai‘i at Hilo.

These initiatives are supported, in part, by a USDOE Title III Native Hawaiian Serving Institutions Grant.

EDvance (formerly the Office of Continuing Education and Training)
Bldg. 379A, Rooms 1,2,3 (Manono Campus)
1175 Manono Street
Hilo, HI 96720-5096
Ph: (808) 934-2700
www.hawaii.hawaii.edu/edvance

EDvance (formerly the Office of Continuing Education and Training (OCET)) was established in 1992 to deliver opportunities for continuing education and training for Hawai‘i Island. EDvance delivers non-credit Workforce Development training; customized, contract training; career certificate programs, including the Community Health Worker Certificate; a variety of online classes; summer classes for K-12 students; and personal enrichment classes. Additionally, EDvance provides passport acceptance services, and workshop/conference coordination for the community. The Apprenticeship training and the Office of International Programs/Intensive English Program are housed under EDvance.

Apprenticeship Training
Ph: (808) 934-2700 or (808) 934-2692

Hawai‘i CC’s Apprenticeship Training Program provides related classroom instruction for apprentices registered in various apprenticeship programs. Classes are offered in the evenings or on Saturdays, and are currently related to training programs specific to the following building trades: carpenter, electrician, plumber, refrigeration and air-conditioning, mason, tile setter, roofer, sheet metal worker, and ironworker. Class instruction supports requirements established by State Apprenticeship Law and makes it possible for apprentices to comply with related instructional requirements in conjunction with on-the-job training requirements of each program. In addition, journeyworker-upgrade training courses are also accommodated for journeyworkers seeking skill-upgrading or self-improvement in their respective trades.

It is important to note that Hawai‘i CC is not involved with the recruitment and selection of apprentices. This recruitment process is administered by separate Sponsor organizations and enrollment into apprenticeship classes is limited to individuals registered with the respective Sponsor. All Sponsors have established and registered apprenticeship programs that meet guidelines established by the Department of Labor and Industrial Relations (DLIR) and the U.S. Bureau of Apprenticeship Training (USBAT).

Office of International Programs
Christine Quintana, Coordinator
Eri Hall, Instructional and Student Support Specialist
Ph: (808) 934-2698
www.hawaii.hawaii.edu/international-student

The Office of International Programs (OIP) supports global engagement at Hawai‘i community College. OIP assists international students with achieving their academic and personal goals while complying with their immigration status. OIP provides new student orientation, advising on immigration regulations, and support with study abroad opportunities.

The Office of International Programs oversees the Intensive English Program (IEP), which provides intensive English language preparation for international students who wish to improve their English skills for professional or personal reasons. The IEP also serves permanent residents and immigrants who are non-native speakers of English and need further development of their English language skills.

IEP offers five 8-week sessions each year. Students have the opportunity to meet new friends and participate in extra-
curricular activities. At the end of each session, a Certificate of Participation is given to each student. Students who successfully pass IEP Level 4 meet the English proficiency for admissions into Hawai‘i Community College’s credit program.

Hawai‘i CC welcomes international students. For more information about the admissions process for international students, visit

- www.hawaii.hawaii.edu/international-student
- www.iephawaii.com

**Student Organizations**

Hawai‘i Community College maintains two types of student organizations: Chartered Student Organizations (CSO) and Registered Independent Student Organizations (RISO).

**Chartered Student Organizations:** CSOs at Hawai‘i CC are authorized by the University of Hawai‘i Board of Regents (BOR) to carry out functions or operations on behalf of the University for the purpose of serving the entire student body. These organizations provide programming that is relevant to the student body and is funded by the mandatory student fees collected from the student body.

**Registered Independent Student Organizations:** RISOs are student clubs. To register, clubs require at least 6 currently registered Hawai‘i CC students, a faculty/staff advisor (non-temporary), and bylaws. More information is available online at: www.hawaii.hawaii.edu/student-life

**Alpha Psi Epsilon Chapter of Phi Theta Kappa**

Phi Theta Kappa International Honor Society, founded in 1918, is the internationally recognized honor society for two-year colleges. Alpha Psi Epsilon, the Hawai‘i CC chapter was chartered in April 1993. The purpose of the honor society is to recognize academic excellence of college students, and to provide opportunities for students to grow as scholars and leaders. Phi Theta Kappa is built on four hallmarks: scholarship, leadership, service, and fellowship.

To be invited for membership, students must have earned at least a 3.5 cumulative GPA and 12 credits that may be applied to an associate degree. New members are inducted each semester based on their academic status at the end of the previous semester. To remain in good standing, members must maintain a minimum 3.0 cumulative GPA. Membership is open to students at both the Hilo and Pālamanui campuses and distance learners whose home institution is Hawai‘i CC.

Benefits of membership include scholarship opportunities, leadership development, and participation in college and community service projects, social support, and networking. Phi Theta Kappans receive special seals on their diplomas and are recognized at commencement.

**Emergency Response and Evacuation Plan**

The purpose of the Emergency Response and Evacuation Plan is to provide the necessary guidance to organize and direct operations in the event of an emergency and/or civil defense action. Although Hawai‘i Community College and the University of Hawai‘i at Hilo have independent emergency operation plans, because the campuses are shared, both institutions work together in the event of an emergency. The Emergency Response and Evacuation Plan is periodically reviewed and updated. The final Emergency Plan is reviewed and approved by the Director of the Hawai‘i County Civil Defense. (Policy Haw 2.203)

**UH Alert Emergency Notification System**

The UH Alert emergency notification system alerts the university community in the event of a natural, health, or civil emergency.

**Automated emergency messaging options**

**E-mail:** The hawaii.edu e-mail address is automatically subscribed to UH Broadcast, which sends out e-mails for administrative as well as health and safety alerts. Unsubscribing from UH Alert will not affect e-mail sent from UH Broadcast.

**SMS/text messages:** Faculty, staff, and students may choose to be alerted via text messages to mobile phones. Approximately one message per semester is scheduled to test the UH Alert system. Depending on the phone plan, some cell phone carriers may charge for this message. Due to limitations with public carrier networks, there is no guarantee an emergency message will be received.

Personal information will not be given, rented, or voluntarily supplied to any third party for any reason other than emergency notification. For more information and to sign up for the service, visit www.hawaii.edu/alert

Return to the above page at any time to update information or to unsubscribe. If the relationship with the University is terminated and the UH Username is deprovisioned, the subscription to UH Alert will terminate automatically.
Care Team

The safety and success of students at Hawai’i CC is of critical importance to all of us. To this end, Hawai’i CC has developed a team whose central mission is to provide early identification of at-risk behaviors that impact one’s ability to be successful and safe on campus. The Care Team receives concerns from the larger community and then ensures that the individual is connected with the appropriate resources. The team works collaboratively and proactively to provide early intervention and assistance to any member of the Kauhale who needs help.

The Care Team accepts and encourages referrals from anyone connected to Hawai’i CC directly or indirectly, including students, faculty, staff, friends, family, and community members.

Examples of At-Risk Behaviors

At-risk behaviors may be academic, physical, behavioral, emotional, or social, for example, threatening others, intoxication, suicidal talk, bizarre or disruptive behavior, or significant deterioration in academic work. Behaviors requiring referral include but are not limited to the following:

- Frequent interruption of the professor and asking non-relevant, off-topic questions
- Use of alcohol or other substances in class
- Bullying or threatening others
- Sudden and prolonged absence from class
- Self-injurious behavior
- Throwing objects or slamming doors
- Arrogant, rude, or objectifying language
- Psychotic, delusional, or rambling speech or writing
- Disrespectful talk or behavior

How to make referrals to the Care Team

Make a referral to the Care Team by completing the online reporting form on the Care Team webpage at www.hawaii.hawaii.edu/careteam or by sending an email to care@hawaii.edu.

When referrals are received, the Care Team will assess the situation and develop a supportive intervention plan to help the community member and avoid crisis.

To report an emergency, call 911.

University of Hawai’i System
Average Graduation and Persistence Rates

This information shows the average percentage of full-time, first-time, certificate- or degree-seeking undergraduates entering in fall semesters who have graduated or are still enrolled. This information should not be used to infer or predict individual behavior.

Rates are 6 years after entry for UH-Mānoa and UH-Hilo, and 3 years after entry for the UH-Community Colleges (150% of normal time to completion).
