

UNIVERSITY of HAWAII HAWAII COMMUNITY COLLEGE

Ke Kulanui kaiāulu o Hawai'i

DISABILITY SERVICES

Our mission is to empower students to fully participate in their educational journey by providing inclusive support and fostering independence in all college activities and courses.

We strive to:

- Ensure equal access to all courses, programs, and campus services across Hawai'i Community College's locations
- Support students in becoming independent, self-directed learners
- Provide reasonable accommodations in the least restrictive environment
- Foster a learning environment that promotes student success
- Encourage students with disabilities to become confident, responsible, and productive members of the community

General Services:

- Coordination with Hawai'i County Department of Education (DOE SPED) high school transition teachers and counselors to support students transitioning to college
- Assistance with navigating the college application and Disability Services intake process
- Referrals and collaboration with private and public agencies for additional academic support
- Individualized, interactive meetings with students to determine reasonable accommodations based on documentation and course/program requirements
- Ongoing disability-related advising and academic support
- Consultation with students, faculty, and staff on disability-related issues and accessibility best practices
