Homeland Security (CO) – 13 Credits

Current employees in criminal justice occupations are invited to apply for upskilling, and unemployed residents will be referred to opportunities for immediate employment.

This program provides students with a solid background in the field of Administration of Justice by offering a variety of courses designed to prepare students for careers within the criminal justice system. The program combines the scientific study of law enforcement, the court system and corrections, with a focus on the administration of these systems. An important component of the program is the study of the causes and effects of crime and the ways in which society responds to such behavior.

Program Requirements:

- AJ 101 - Introduction to Administration of Justice
- AJ 131 / HSER 131 / SUBS 131 - Ethics in Public Services
- AJ 180 - Introduction to Homeland Security
- AJ 181 - Intelligence Analysis & Security Management
- AJ 182 - Transportation & Border Security

If you are interested in and/or already working toward pursuing your degree in the programs listed above, you are a good candidate to receive funding.

Courses starting August 21, 2023
Application deadline August 8.

Homeland Security are in high demand for positions statewide.
