

Courses Fulfilling Two Different Area Requirements

Background

The College's practices in this area were reviewed by the Academic Senate in Fall 2002. The Senate's recommendations were submitted on November 1, 2002.

Policy

In a few instances, a single course has been approved as satisfying more than one of the area requirements for the Liberal Arts (AA) degree. However, students completing such a course may only receive credit toward one area requirement. They will be offered their choice of which requirement is satisfied and will be expected to fulfill the other requirement(s) with other courses.
